WHO WE ARE...

We are a department of Bellville Medical Center, with all the support that brings. That means that our ER is held to a higher standard of care, the same standard that our Bellville campus must maintain. Our doctors are trained ER physicians and the nurses and ancillary staff are all employed and trained by Bellville Medical Center to assure you the standard of Emergency Care you can count on.

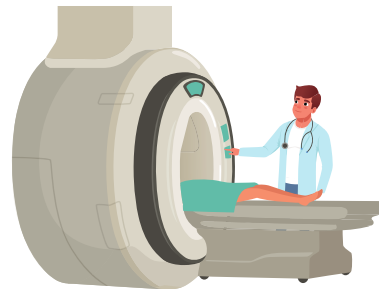

WHO WE TREAT...

All ages, from Infants to Senior Citizens

WHAT WE DO...

We are ready to evaluate illnesses, injury, pain... whether you are coming from home or work, the ball field, or out at a local event, we are here for you. Let us take care of you or your loved one.

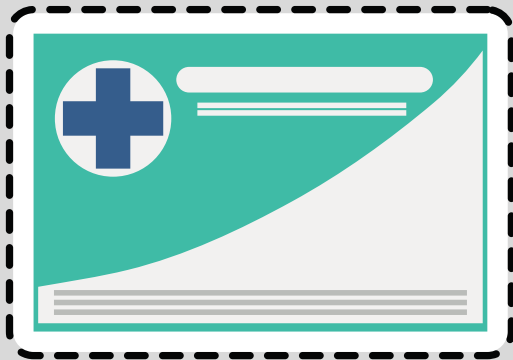

If you are experiencing chest pain, shortness of breath, visual changes, or a sudden severe headache, or any signs of a heart attack or stroke, DON'T WAIT to see if it will get better or wait till tomorrow. Receiving treatment within ONE HOUR of onset can prevent permanent damage or worse.

If in doubt, let Tri-County ER check it out. We're here for YOU!

WHAT PAYMENT WE ACCEPT...

Medicare, Medicaid, Commercial Insurance, Private Pay

WHAT WE ARE...

We're a round-the-clock, full-service Emergency Room, equipped to handle life's little- and big-medical emergencies. Our ER physicians and nurses have Emergency Medicine experience and have Imaging (X-Ray, CT Scan, Ultrasound) and Lab services on-site to do a complete evaluation of your medical condition so they can best diagnose and treat you.
